THE ARGUS

The 1948 Argus Staff Presents the 51st Publication of the Argus

Editor, Donna Fall

Some people believe that the pioneer spirit is dead, but we present this Argus in the belief that this spirit is very much alive.

In many periods of history people have become pioneers because it was easier to move on into new territory than it was to stay and face their problems. In a sense, we are definitely pioneers of this modern age. We, however, have no place to run and must stay and face our problems and conquer them.

It is in this spirit that we, the staff, present this Argus to you, with our best and most sincere wishes for your future.

Miss Lois Thompson

Because

Her high standards have been something to strive for. . . .

She has paid us the compliment of always expecting our best.

Leadership among students has grown under her expert and sympathetic guidance. . . .

Her calm judgment has untied the knotty problems of student government. . . .

Her classes have been the widened door through which we have seen the vastness of learning. . . .

We know that Tulare High School is her greatest interest. . . .

She has always given so freely of her time, her energy, and her understanding.

She has our respect and affection. . . .

We dedicate this book, the 1948 Argus,
To Miss Lois Thompson.

Yadon, Vernal

President's Message

The tradition of Tulare High School which we cherish so highly have again this year been made a part of our school life; some new activities which we hope will become traditions have been established. To the upper classmen we give the charge of keeping sacred our ideals and alive our school spirit.

As we Seniors march down the aisles in rhythm with "Pomp and Circumstance", memories of four happy years will come to us. Indeed they have been happy years, and I should like to extend my thanks to a wonderful faculty, a willing and hard working Student Council, and to the entire Student Body for making my administration a success

Yours, truly,

VERNAL YADON

Student Body Council

Student Council began their active year with a meeting the first day of school where they discussed plans for the Student Body Card sales. The sales for the year were very successful with a total of 1200 cards sold.

Some of the many activities of the council have been sending fifty dollars to CARE, donating to the Red Cross, sponsoring a Student Body Queen election, and giving the first football and basketball rallies.

At the end of the first and last semesters, parties were given for the members of the preceding semester. The Tulare council also acted as hosts for a joint meeting between the Tulare and Visalia Councils and also for a district Student Body Presidents conference.

The officers for this year were the following: Vernal Yaden, president; Dorothy Newman, vice president; Marilyn Eubank, secretary; Ford Wilson, treasurer; Jo Anne Straight, social chairman; Jesse Land, publicity chairman. Miss Thompson was the very able advisor.

Superintendent's Message

Donovan F. Cartwright

Opportunity was once described to me as an individual, walking away from you. As you approach this individual you see unattractive unkempt clothes, matted hair and a generally unattractive appearance. It is only after you have passed opportunity and have looked back that you actually see her as she is. From this vantage point you can see that she is really a very beautiful young lady with all the qualities that go to make up beauty and desirability, but, after you have passed it is too late to do more than think of what might have been.

School is such an opportunity to the thirty million boys and girls in attendance. A great many of them can see only hard work, lack of freedom, rules, regulations and their teachers' uncompromising demands. These same boys and girls will look back after their school days are over with regret for opportunities they have missed.

I have heard so many say, "I wish I had it all to do over. I would really study. I can see now where an education is a wonderful advantage to one who has it."

The sad part is that boys and girls in school today do not listen to the advice of the students who have gone before. By the time the present freshmen are seniors, members of this year's graduating class will be saying, "I wish I had studied harder when I was in school," but each year will bring a new group of indifferent students who will ignore the advice of those who know by experience.

New generations of students feel that somehow things will be different for them, that they will get by without an education, but for every day that they lose they will pay a "tax" to this lost opportunity which could have been theirs. This "tax" will include money which they could have earned; but, more important, it will include the inability to appreciate and enjoy the many things opened to them by the key Education.

Senior Class

The Seniors of '48 had an interesting and active year and have found a great deal of pleasure in working for the good of the school.

The first activity for the year was the election of their officers in the fall. They were the following: Dane Sturgeon, president; Bob McCallister, vice president; Susan Wiseman, secretary; Joanne Vaughn, treasurer. They were succeeded by Bob Mathias, president, Quentin Ely, vice president, Jeannie Smith, secretary, Joanne Vaughn, treasurer.

The next activity was the selling of pennants, emblems and caps during the football season. In December, the Christmas Dance was given.

One of the outstanding events of the year was the institution of a Senior Flag which flew on Senior Dress-Up Day.

The Senior play "Nothing But the Truth," was a huge success and was presented before a full house on March 5. Senior Government Day was April 29.

The perfect year was topped off by the annual Ditch Day, Senior Breakfast, Numeral Planting, and last but not least, Baccalaureate and Commencement.

Junior Class

The Juniors of '48 started off the year with a blaze of glory. Doris Young, class secretary and Prom chairman, was elected student body Queen, and Doris Paggi was presented as Football Queen at the "Football Stars Dance" given by the class in honor of our teams.

Charlie Shields, president, Duane Smith, vice president; Doris Young, secretary; and Alice Ichinago, treasurer and the council members were

so efficient it was voted to keep them for the second semester.

Pat Coyle and Charlie Shields lead the class to success in "We Shook the Family Tree," Junior Play, presented on December 6th.

On May 14, the gym became a beautiful Spanish garden for "La Fiesta" the Junior Senior Prom. It was a very gay and colorful affair this year and a perfect finale for a successful year.

Sophomore Class

This year's sophomore class was one of the largest in the history of Tulare High. It started its activities for the year by electing an all girl officer body. Helen Grant was chosen president, Patsy Payne vice president, Lucille Lawrence secretary and Lois Schultz treasurer. The class

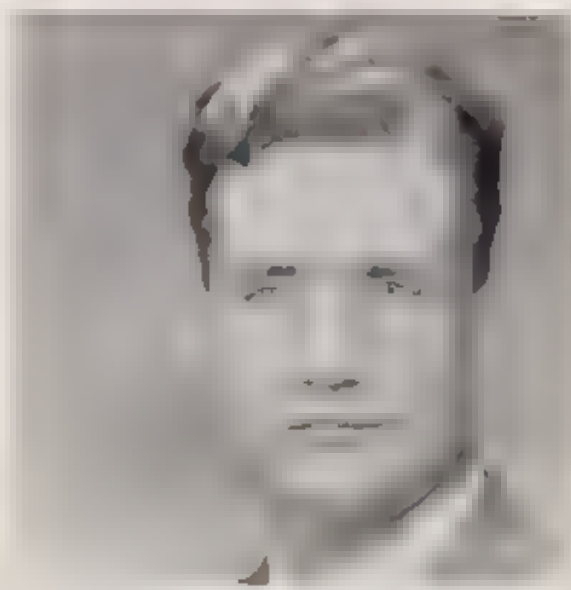

council and members sold refreshments at two football games and pom-poms at another.

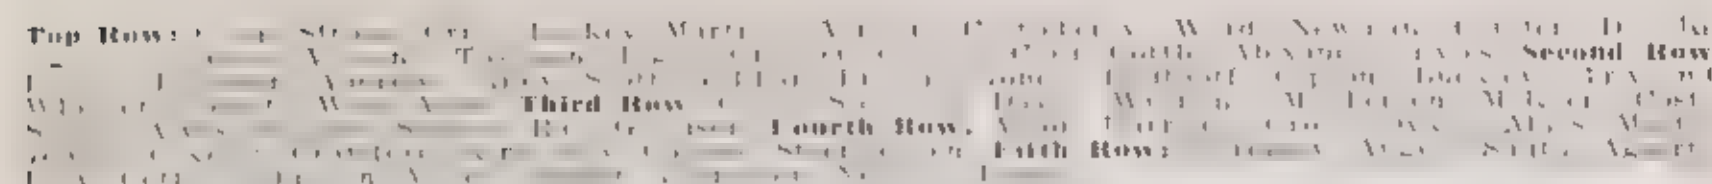

Second semester officers were, Helen Grant, president; Lois Schultz, vice president; Levera Teixeira, secretary and Pat Shaw, treasurer. Spring activities included serving for the Prom and decoration of the stage for senior graduation.

Freshmen Class

An enthusiastic group of four hundred and fifty Freshmen entered TUHS in September and has shown by its wholehearted participation in all school activities that it is an outstanding class.

First semester activities were led by Bobby Jackson, president; Margaret Tolson, vice president; Betty Egeline, secretary; and Ruth Field, treasurer. These officers were ably followed in the second semester by Tom Hodges, president;

Donald Butts, vice president; Barbara McCowan, secretary, and Jean Simpson, treasurer.

Two assembly programs were presented by the Freshmen—the first one being the Freshman day program in September and the second one a basketball rally. Class members sold refreshments at the Delano football game, assisted in decoration for the Junior Prom, and closed the year's activities by being in charge of decoration for the baccalaureate service.

Christmas Pageant

It is a traditional idea here at Tulare High to have a Christmas program. This program is usually put on by the glee clubs and orchestra in a sacred manner. This year a program of outstanding worth was presented to the student body. The beauty of the whole program was felt by the entire audience

The idea of the program was living Christmas cards. The lighting, costuming, and music helped to make this very fine program an outstanding entertainment of the year.

Ground-Breaking Ceremony

The first move toward relieving the overcrowded conditions at T. U. H. S. was the letting of contract for a ten classroom unit to be constructed west of the Administration Building. Ground-breaking ceremonies were held on a cold, misty day in April of this year. Student body and administration officials approached the speakers' stand while the high school band played. Student Body President Vernal Yadon gave a short history of Tulare High School. Superintendent Donovan Cartwright presented the enrollment picture of Tulare area and introduced Mr. Delos Howard, president of the school board, who turned the first spadeful of soil. Dr. Clayton Gill delivered the invocation, the band played again, and construction was officially under way.

Senior Play

The Senior Class play "Nothing But the Truth," a comedy in three acts, was one of the outstanding moments for the seniors.

Robert Bennett, Dane Sturgeon, makes a bet with his friends to refrain from telling lies for twenty-four hours. Marilyn Eubank, as his girl Gwen, played opposite him, and along with an above average cast and director Mr. Race Kent, they all went to make a fine, entertaining play.

Girls' League

The Girls' League had an active and interesting year. One of the first activities was the convention in Hanford early last fall. The annual Faculty Tea was exchanged for a party featuring a circus theme. A gay time was had by all.

The Backward Dance, one of the outstanding events in the year, was given in March.

Officers for the year were the following: Colleen Williams, president; Neta Hays, vice president; Wilma Beck, secretary; Pat Hill, treasurer; Pauline Skaggs, social chairman; Susan Wiseman, welfare chairman; and sponsor, Mrs. Ada Brown.

Boys' Federation

The Boys Federation, an organization comprised of all the boys at Tulare Union High School, is a service organization. It aims to assist in welfare work. The officers keep records of all points won in athletics and recommend awards accordingly.

The officers: Bob Paddock, president; Jim Ichinaga, secretary; Tom Lampe, Commissioner of Athletics. Members of the Council are chosen from each of the four classes: Bob Hoegh, senior; Bill Cox, junior; Duane Blackwell, sophomore; Bob Ruhle, freshmen.

Woodshop

In first year woodshop, articles made by hand are studied and created with small hand tools. Second year students work on larger projects, machine made cedar chests, bookcases, and tables. Third year students act as foremen for first year students and aid them on projects in addition to making cabinets. Ernest Lambrecht who has served Tulare Hi as a basketball and track coach, is the instructor.

Auto Mechanics

One of the most practical courses in Tulare Hi is Auto Mechanics. Students see demonstrations and work on actual projects. Parts for cars are made by the advanced classes. Next year more machine shop instruction than ever before will be available to Tulare Hi. Delbert Solomon is the instructor.

First Row: Wanda Ewing, W. Dave Moore, Mr. Yancey, J. Allen Smith, Jerry Baine, Second Row: Craig White, Helen Grant, Jo Queen, Fred Lee, Susan Grant, Fred Steadman, Jess Lamb

Debate Team

Under the direction of Jack Yancey, the TUHS debate teams were very active this year, entering practice debates in Fresno and Hanford. Also Tulare Hi was represented by the Debate Teams at the Spring Speech Festival at Modesto and the invitational Speech Meet in Hanford. The big event of the year was the first of May when Tulare played host to the debate teams in the Conference Tournament. The question of all the debates was Compulsory Arbitration of Labor Disputes.

Yell Leaders

A great amount of the fun in high school is experienced at football and basketball games where the crowds go to yell. The whole spirit of the cheering section depends on the spirit of the yell leaders and song leaders. The leader must be peppy to arouse the spirit of the crowd.

Betty Stephenson, head yell leader and her assistants, Doris Paggi and Patsy Payne, have done a fine job, as well as the song leaders, Lorraine Sullivan and Lucille Lawrence.

Agricultural Department

As in her other special departments, Tulare Hi aims for the best, and the Agriculture Department is no exception. Under the guidance of Jesse Correll, Art Swenerton, Norman Walker, and Robert Pederson, students learn better and more modern methods of farming. Our school farm is the place where students

raised cotton, hay, cattle, hogs, sheep, and chickens.

Our Agriculture Department takes time, much hard work and money, but the community is repaid by the graduates who settle in Tulare, better farmers because of their schooling.

Craft Department

The craft department is considered one of the nicest courses in Tulare Hs. This department specializes in leatherwork, but also turns out rings, costume jewelry, wood carving and almost any other

crafts. Students may find future hobbies in this course and means of making extra spending money. Mrs. Alta Newcity directs the upper classmen; Art Roland has beginning classes of handicraft.

Art Department

This year has been a busy one for the 105 students in Beginning Art and 50 in Advanced classes, under the direction

of Ann Kenyon. They helped with the scenery for the Christmas programs, the Junior play, Senior play, and the Prom. The advanced students, beside doing some excellent posters, helped the school and community by making signs, murals, cartoons, and charts

War-Whoop Staff

Friday afternoon would be empty without the Redskin War Whoop. The paper, issued under the direction of Race Kent, included the events and happenings of the school, features, advertising, and topics of general interest. This is our chance to say thanks to a swell group of kids, the War Whoop Staff.

Argus Staff

Putting out an Argus is not an easy job, but, regardless of the obstacles we have had to overcome, it has been fun too. Our hope is that the Argus will be worth the work and money that went into it. We of the staff feel very honored to be able to serve Tulare High.

Glee Club and Mixed Chorus

The Freshmen Girls Chorus started the year by singing at freshmen's parents night. The Mixed Chorus gave its vocal assistance to the Christmas assembly and to an evening Christmas program. Adult Week-end School heard the Mixed Chorus next in an evening concert, and soon afterward, they presented their numbers before the Rotary Club.

One of the big events of the year was the participation of the Mixed Chorus and Girls Chorus in the annual Fresno Music Festival

where, it might be added, both groups made a splendid showing.

All during the year, small vocal ensembles were called upon many times by city clubs to assist in programs — valuable experience and service which all choral members were glad to have and to give.

The year's work was fully and best presented in the spring concert, and evening's program presented by both choruses in musical selections ranging from Bach to Copland.

Junior Play

"We Shook the Family Tree" was presented this year by the Junior Class as their traditional dramatic production. A joyful comedy about the troubles of high school people and the families who love them, the play was wonderfully received by a sell-out audience.

It is difficult to pick out any who did superior work, but Pat Coyle as the rebellious book worm and Charles Shields as the boy whose mother refuses to let him grow up were characters who everyone loved and took to their hearts.

The stage-set, a creation by Miss Kenyon and the art classes and by Mr. Witte and the stage craft classes, was truly beautiful and created a favorable mood for the play as soon as the curtain was up.

Orchestra

Climaxing a year full of accomplishments, the Tulare High Orchestra, under the competent baton of Theodore Molieski, well may say, "It was work well done."

On their unusually busy agenda, the orchestra found time to play for the Junior and Senior plays, the GAA dance program and other important events.

At the San Joaquin Valley Music Festival, the orchestra walked off with a rating of "excellent," while two of the orchestra members, Betty Higdon, oboist, and Robert Polson, trombonist, received ratings of "superior."

Orchestra members also formed small ensemble groups and played for various service clubs downtown, as well as sending numerous soloists to these groups.

Homemaking Department

Better homemakers—that's the purpose of the Home Economics Department. Five teachers, Rita Lath, Earnestone Cotta, Dorothy Basselt, Annette Kenyon, and department head Gladys Pruitt, compose this group. Activities are geared to assist individuals to recognize and seek solutions to personal and home problems.

Students are taught to recognize the family as a unit of society, to strive for a higher standard of living, to develop a cultural background as well as a skill and knowledge of home activities and to participate in community planning. All this is done to preserve the moral and spiritual value of living. Better homemakers—better citizens.

Top Row: Jo Ann Ledbetter, Delores Price, Mr. Tench, Annette Fisher, **Second Row:** Leris Lancaster, Russell Price, Ned Rocha

Junior Red Cross

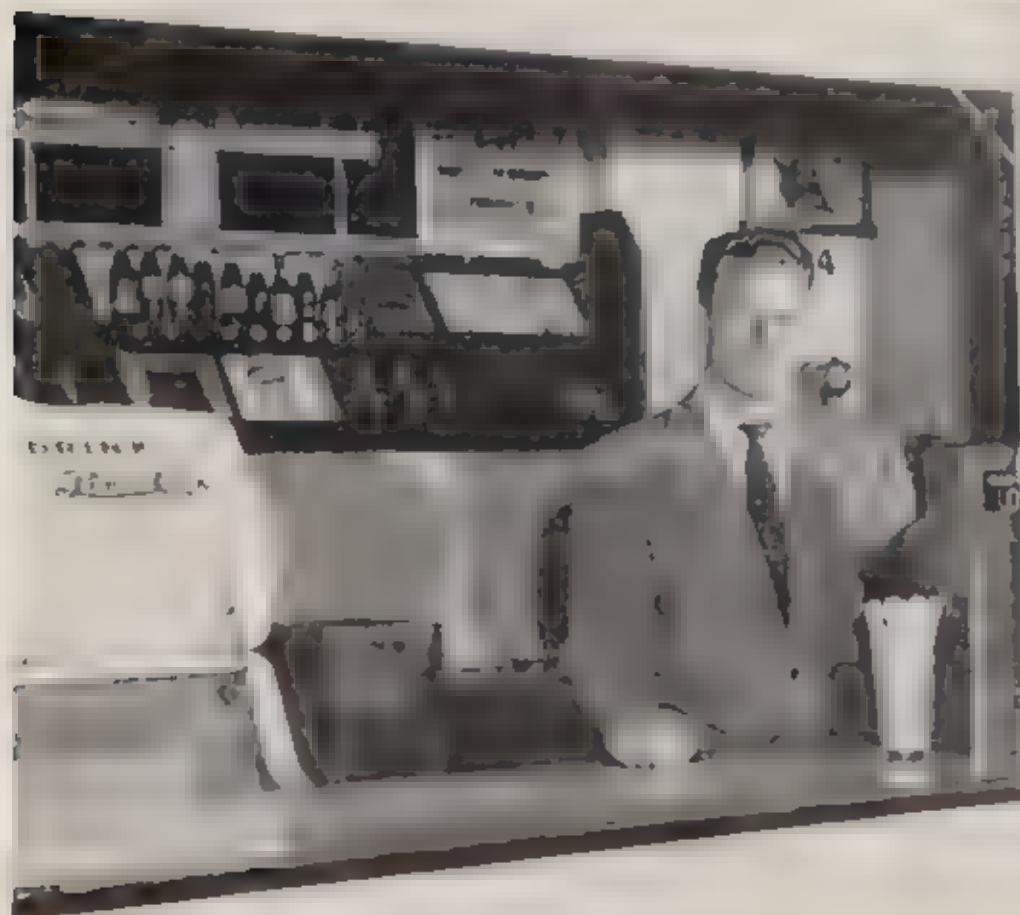

The annual membership drive for the Junior Red Cross was very successful from a percentage, as well as financial, basis. The council and members sponsored a Thanksgiving Dance, the proceeds of which were sent to the National Children's Fund.

Second semester activities included collecting necessary articles and toys for gift boxes for needy children, and knitting blocks for an afghan to be sent to a veteran's hospital.

Student Store

Operated by the Associated Student Body, the student store is a fine educational activity that gives the student clerks experience in making change and actual selling. It provides last minute forgotten items for the student who has not been able to shop because of riding the bus.

C. S. F.

The C. S. F. has had an interesting and active year. Some of the many activities were an officers conference, the Central Section Convention, the District Conference in Tulare, an initiation dinner, and the annual Ditch Day. Something new this year was the fine recognition assembly honoring the members and sponsored by the Lions' Club.

Junior Statesmen

Under the direction of Miss Kruse, the Tulare Chapter of Junior Statesmen has found a decided interest in our city, state, and national government.

We have been honored this year by having two of the regional officers in our club.

A special effort has been given this year toward the teaching of parliamentary law to the members.

Science Club

The science club boasts of over seventy-five members this year. Anyone who has had one year of science, or is studying the subject, is entitled to membership.

Two parties have been held by the club. Such educational entertainment as a speaker or movie is usually provided.

Art Club

The art club is for sophomore, junior or senior art students. Freshmen receiving 'A' in art are asked to join the second semester.

The club presented the school with a beautiful plant for the Trophy Case and bought gifts for those Art Students who received Art awards.

Letterman's Club

This club is an honor society, much as the Chevron Club.

They meet once a month and have about sixty-five members. The officers feel gratified at this amount, because at the beginning of the year they had less than thirty members.

Officers for this year: President, Bob Hoegh; Vice President, Ronald Jensen; Secretary-Treasurer, Robert Mathias; Sergeant at Arms, Russell Ake.

Commercial Club

The Commercial Club was organized this year. The membership is limited to those students who have taken at least one year's work in that field. The club is now awaiting the approval of an application to join with the national organization, Future Business Leaders of America. The club assisted in selling advertising for the Argus.

Thespians

Thespians, a national honor society for those who have done outstanding work in the field of drama, capped their season with the presentation of a one-act play, Gory George by the club sponsor, Race Kent, at the Visalia College Dramatics Festival. The trophy for second place winner will remain a reminder of the play cast who did such excellent work: Marilyn Eubank, Pat Coyle, Raymond Scott, Ford Wilson and Vernal Yado. Assistant director was Colleen Williams.

Paint 'n Patches

Under the sponsorship of Miss Rita Atkinson, Paint 'n Patches has been reorganized.

Not very much has been accomplished this year, but next year they hope to have a one-act play prepared all the time, and to give one three-act play.

This year a one-act play was presented to the Sophomore class.

The officers for this year are: President, Joan Lynch; Vice President, Pat Coyle; Treasurer, George Manan; Secretary, Leshe Allen.

First Row: Manuel Lopez, George Minnin, Jerry Mitchell, Conrad Fulton, Robert Hovannisian, Leslie Allen. Second Row: Betty Stevenson, Marion Newman, Margaret Hansen, Rose Lee Jones, Dorothy Nichols, Pat Coyle. Third Row: Miss Atkinson, Jo Ann Lynch, Norma S. Olson, F. M. Third Row: Angelina Bass, Dorothy Ediger, Edith Peterson, Willie Sue White, Mae Campbell, Joyce Miller, Janet Rale.

Ushers Club

The Ushers Club is newly formed this year. These girls do very fine work ushering for the various activities around school. The Junior and Senior Play are activities at which the girls ushered. This club is under the direction of Miss Ruth Leth. Good luck to this newly formed club. Here's hoping it will continue in the years to come.

Radio Club

The Radio Club has had another interesting year under the direction of Mr. Witte.

The officers for this year were: President, Laven Lockwood; Vice President, Bill Kuykendall; Secretary-Treasurer, Bob Bryant. These officers will have their own private radio licenses by the time school is out.

First Row: Richard Jarrett, Berlen Kanady, Ray Brazo, Bill Kuyth. Second Row: Mr. Witte, Wayne Bridges, Bill Kuykendall, John Choate, Alden Booker, Bob Bryant, Glen Lewis, Edna Turner. Third Row: John Odor, Pete Petrels.

Hi-Y Club

The Hi-Y has had a new sponsor this year, Mr. Bogart. The club meets once a month at night and once a month at school. It is a branch of the Y. M. C. A. and has 21 members this year.

The officers for this year are: President, Dane Sturgeon; Vice President, Bob Ahercromie; Secretary, Bob Hoegh; Treasurer, Ronald Jensen.

Chevron Club

This is a club composed of the girls who have earned their chevrons. The chevron club took the place of the gold pin honor club.

As is done every year, a progressive dinner was held at the various homes of the old members. The new members were taken into the club by initiation.

The officers for the year were: Priscilla Pearce, Deanne Barrera, Miss Elliott, teacher.

First Row: Deanne Barrera, Jo Ann Lynch, Neta Hays, Ella Seward, Corleen Williams. Second Row: Dot Jacaste Irwin, Priscilla Pearce, Doris Young, Bernice Selitz, Zora Yenny.

Future Farmers

A busy year has been experienced by the Future Farmers. Each member has a project. They have had judging meets, parties and have entered their projects in the fair.

Two boys were sent to the State Convention at San Luis Obispo.

The officers for this year have been: President, Oliver Borba; Vice-President, Richard Bryant; Secretary, Victor Jones; Treasurer, Archie Sepeda; Reporter, R. E. Grissom; Sentinel, Johnny Barrie.

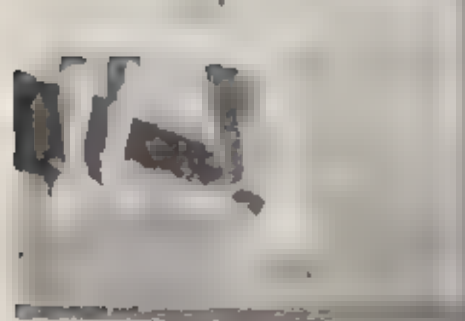

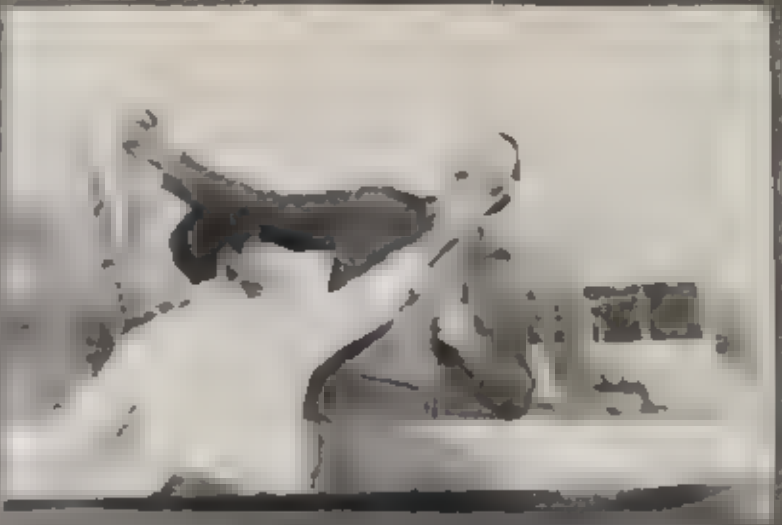

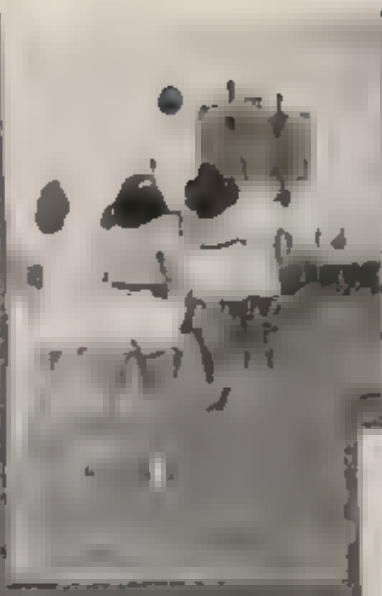

Forensics Club

The Forensics Club made its debut this year at T. U. H. S. The purpose is to foster and promote interest and activity in all areas of speech. Club members participated in speech festivals and tournaments at Modesto, Hanford and Fresno in the following events: Debate, oratorical declamation, radio speaking, and extemporaneous speaking.

President, Terry Blaine; Secretary, Concha Rameriz; Treasurer, Don Carroll; Publicity, Wallace Moore; Commissioner of Forensics, Shirley Grant.

Good Season For Papooses

Starting the 1947 season with plenty of promise the Papooses finished a very good season. With only two lettermen and five second stringers returning, Herb Morelli developed it into the strongest team in the league. Their first practice game with East Bakers field they lost 13 to 0, but they made up for it in the second practice game by running over Corcoran 31 to 6.

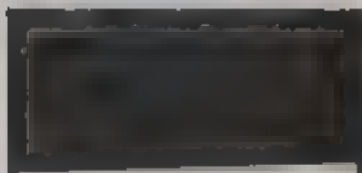

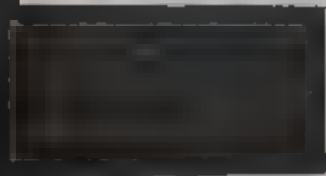

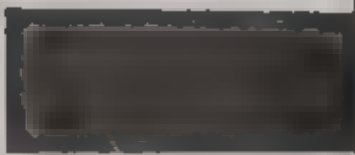

They lost their first two league games to Porterville, 19 to 0, and to Hanford, 1 to 0. Although they outplayed Hanford easily and threatened their goal three times, they couldn't seem to make it over their foe's goal.

Next the Papooses traveled to Strathmore in a practice game where the Junior Redskins, showing the power of their bigger brothers, massacred the Easterners 33 to 7.

On Armistice day came the big game with the old rival, the Visalia Voorloos. One of the best games of the season was played on the Tulare gridiron as the Papooses scalped the Visalians 19 to 6.

Then came the reckoning day for the Delano Bengals. The Bengals were undefeated in League play and a win for the Hometowners would put them in second place. The Papooses played their best game of the season as they fought the Champions to a standstill. When the final gun sounded the score read Tulare 13; Delano 13, with the Papooses deep in enemy territory.

The starting lineup usually read as follows: Tom Lampe and Horace Elliott at ends, Quennon Purify and Doug Blaylock at guards, Dale Hayes and Bill Young at tackles, Jess Crawford at center, Jerry Phillips at quarterback, Carl Pedroncelli and Junior Ornelas at halfbacks and Elfred Meitzenheimer at fullback.

Bottom Row, 1 to 9: Telford, Sharp, Abercrombie, Paddock, Hoegh, Mathias, Sturgeon, LaThorpe. **Second Row:** Coach E. W. Lambrecht, Yarbrough, Canby, Lewis, McCawley, Hardeman, Padilla, W. Smith, Mer.

Varsity Basketball

Continuing a year of successful athletics, the Varsity cagers climbed to the second step of the San Joaquin ladder in the basketball division.

An able player, fine sport and sterling all around athlete was Robert Mathias who amassed 148 points in the nine games he highlighted. This star who bucketed 40 more points than his nearest competitor had an average of sixteen plus per game. The second place average was ten plus.

Second high player for the home quintet and among the top five in the league was a package of dynamite, aggressive Bob Paddock. This tireless player slammed the casaba through the hoop enough times to garner 96 of the team's 180 points.

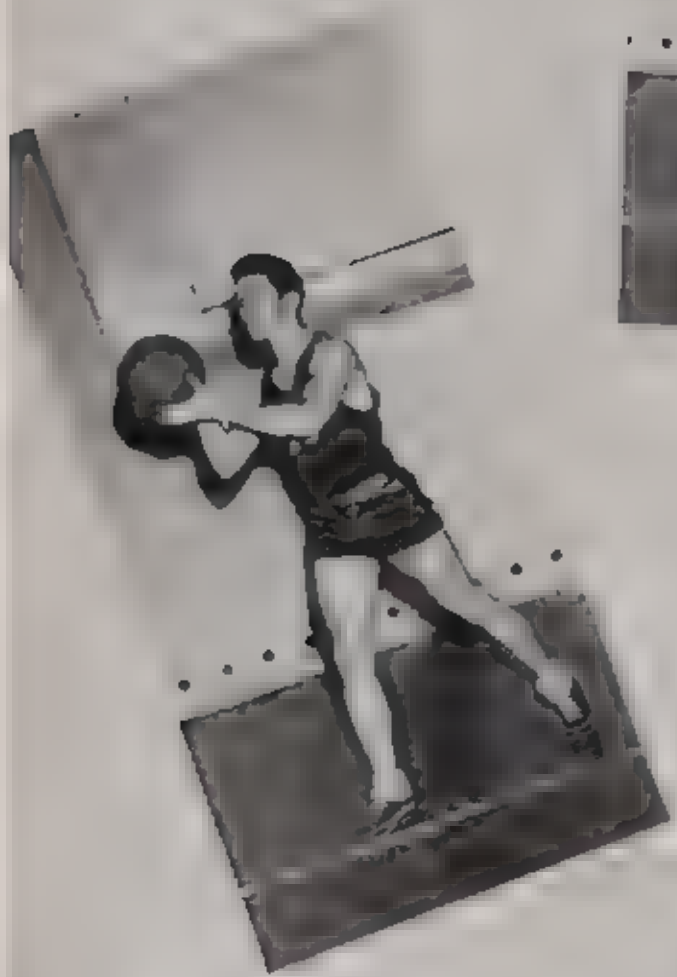

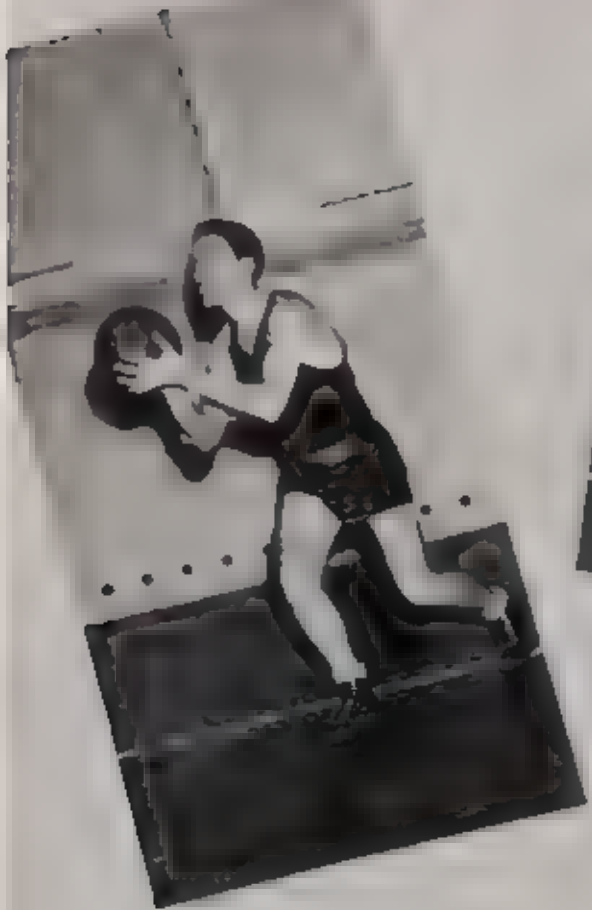

Other top flight hoopsters trading off starting positions were guards George Telford and Bob Hoegh, forwards, Harold McCawley and Dane Sturgeon. The latter player received a knee injury in the Hanford game that disabled him for several games. He was able to enter the free throwing competition, however, for which he received a trophy.

Co-Champions in 1948

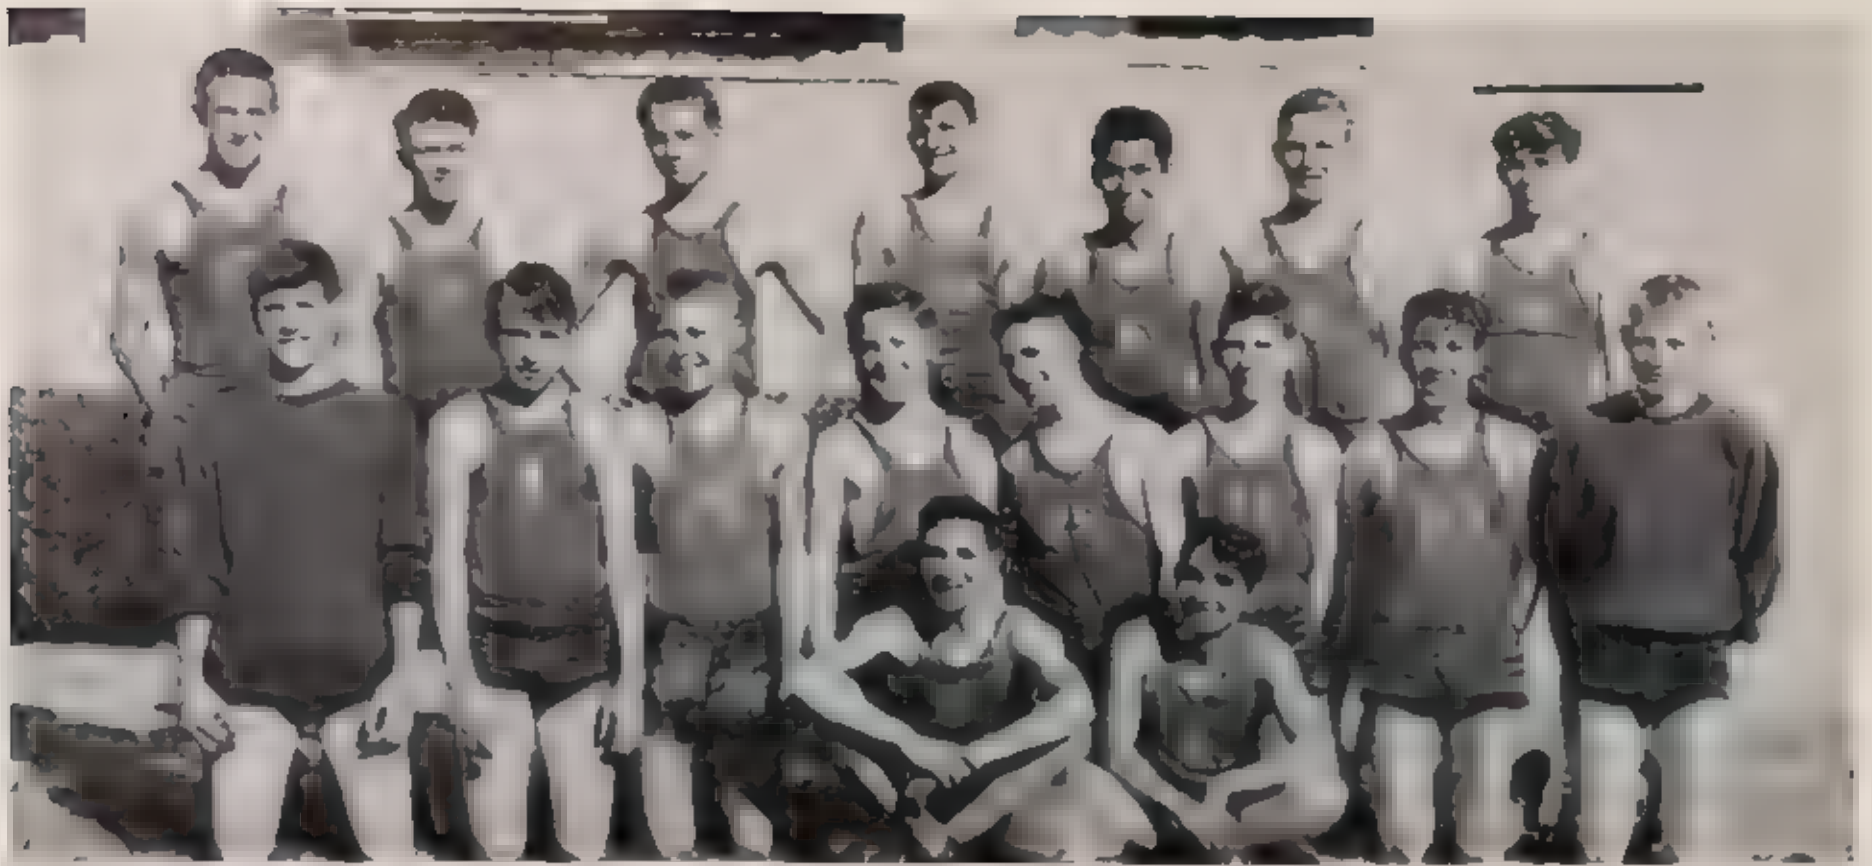

Another Championship! We are indeed proud of the 1948 edition of the Papoose Basketball team. They defeated everyone in their league with the exception of the Porterville Hi Cubs, who dropped the TUHS juniors twice. However, the Papooses defeated some opponents the Porterville team couldn't get by. Both games were thrillers that the two championship teams clashed, the Papooses losing only by a small margin.

Coach Keith Waite demonstrated that he was a man of ability, producing a championship team the first year at a strange school. Not only is Mr. Waite an excellent coach but he is a swell fellow too, being a favorite with the "B" players.

“C” and “D” Basketball

The “C” and “D” teams this year will form the Tulare High Redskins and Papooses of the future. The basic aim for the “C” and “D” class players is to gain experience and learn the game before they join the Varsity and junior Varsity squads. In the light of this fact the “D” class hoopsters were very successful this season.

The “C” class hoopsters were extremely fortunate this year, winning more than their share of games and winding up near the top of their league. Coached by Art Boland, the reserves enjoyed a successful 1948 season.

So again we salute the future stars of the Tulare Union High School athletic teams.

Varsity Baseball

The baseball edition of the Redskins this year have not been too successful in the win column. Up to the date of this writing, in league play, they have lost four games and won one, although several more games are scheduled and the Redskins are slated to come through with some more wins.

However successful they might be in league play they have some wins to be proud of. They defeated Roosevelt Hi of Fresno and Fresno Hi in a double header in the northern city. The two Fresno aggregations were considered among the top teams in the valley. The Redskins finished in the semi finals at the annual Delano Tournament, being edged out by the Merced Hi Bears by only one point. The Merced nine went on to win the tournament.

Most of the 1948 horseholders will return next year and so to the league champions of 1949, a salute from the student body of 1948.

Yannigan Baseball

Yannigan baseball is the equivalent to junior varsity competition in any sport. These men will form the teams of the future. While they are gaining experience in the fine art of baseball they play a full schedule of games. The indications point to good Tulare High baseball teams in the future. The 1947 Yannigans are a hard-working, scrappy group of fellows, and we will be expecting big things from them in the future.

Bottom Row, l to r: Elvis, Bryant, Bullock, Jones, Fahrney, Paddock, Wilson, Torres. Second Row: McGlythen, mgr., Armstrong, Gibson, Vincent, Booker, Abercrombie, Paddilla, Felipe. Third Row: Coach E. W. Lamorecht, Lugin, Mitchell, Williams, Mathias, Hoegh, Elv, Coach U. M. Jackson.

Varsity Track

At the time of this writing it looks as if we might have another championship at Tulare Hi. Led by Bob Mathias, the Varsity Cindermen are threatening the Valley title. If everything goes well and all performances are up to par, the Redskins should capture the Valley title very handily. This would be an achievement that has not been equaled at TUHS for a number of years. To name all the outstanding men out for track would require too long a list. But we can not go without mentioning Bob Mathias who is one of the greatest athletes ever to tread the halls of Tulare High. The Varsity has captured three meets to this writing; the first being the Annual Tulare 20-30 Relays. Following in quick succession was the Kern Relays and the Semi-County fell to the Redskins.

Every man out for track should be complimented for his hard work to make the name of Tulare Union High School respected in the circles of Track and Field.

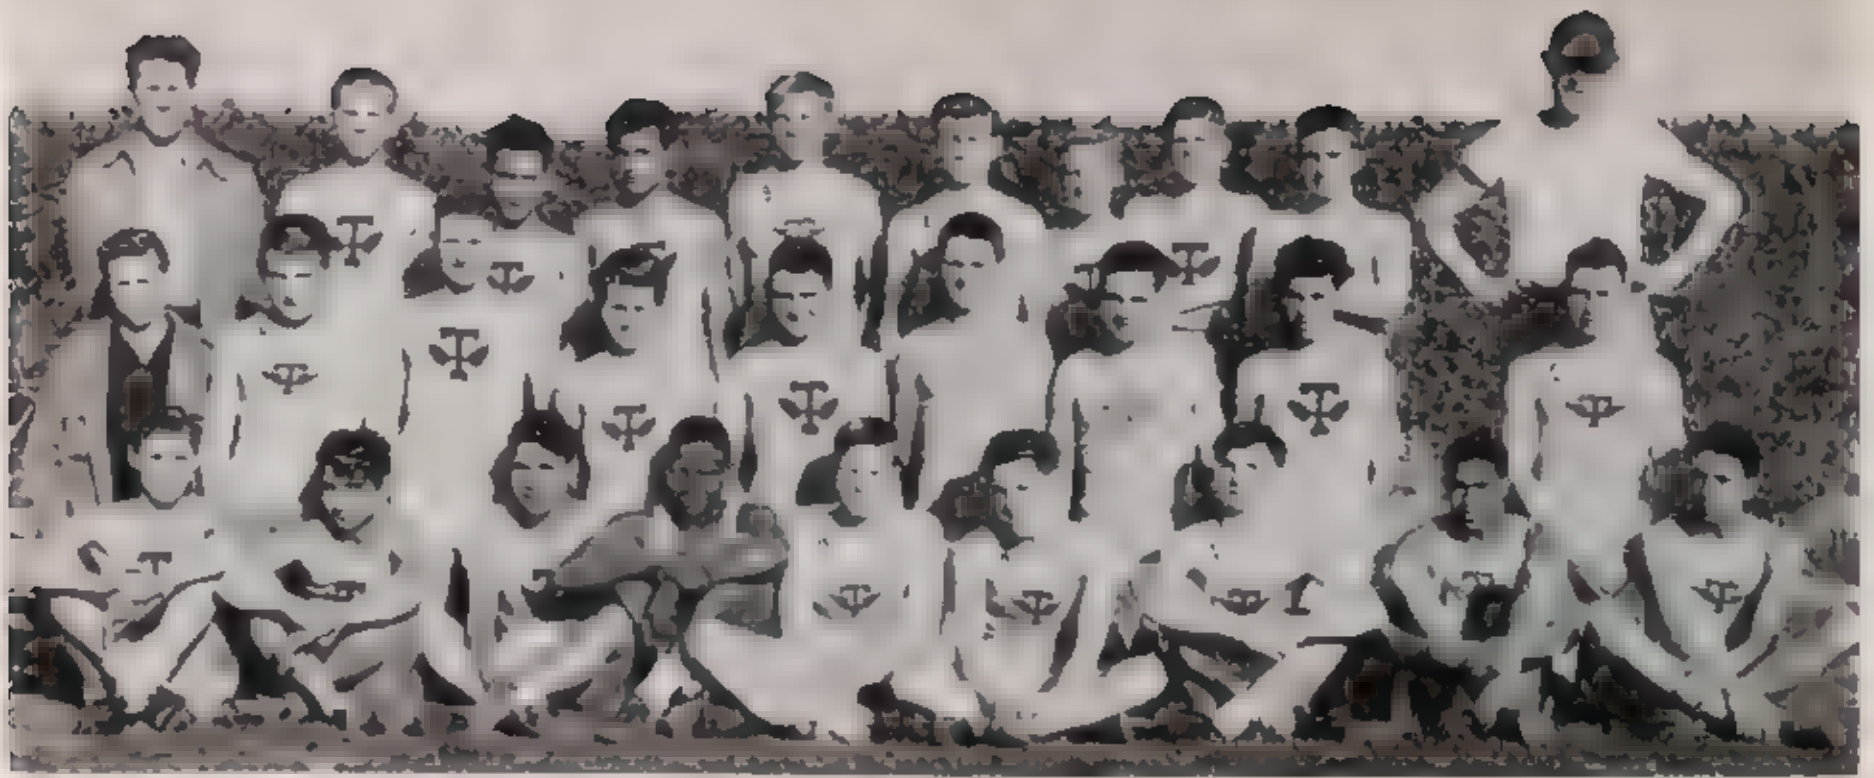

Bottom Row, Left to Right: Garrison, Purdy, Ahronian, Ornellas, Aldon, Van Is, Nangle, Young. Second Row: Mc-
 cormick, McGrath, Rasmussen, Souza, Scott, Downes, Wheeler, Blackwell, Dunham. Third Row: Coach Lumbrecht,
 Taylor, James, John, Bassett, Hernandez, Coach Jackson.

"B" Track Squad

The "B" class Cindermen are not as strong as the "B" class squads of the last few years. However, the men working hard this year will form the Varsity team of next year. At the worst the junior tracksters are better than average and should be given a lot of credit. They placed well in the meets considering the balance of the team. There is some good talent on the 1948 "B" tracksters and a salute to them from the 1948 student body.

Probably the strongest events in the "B" team is in the sprints and relay. Although they are not expected to be as strong as this year's squad, next year they will represent our school well.

Bottom Row, Left to Right: Stuart, Johnson, Medrano, Purdy, Eaton, Johnson, Smith, Baker, Smith. Second Row: McGrath, Smith, Kottel, Anderson, Smith, Corchudo, Wright. Third Row: Coach, Smith, Kottel, Smith, Alder, Anderson, Hood, Jensen, Jones, Newsome, Coach and Assistant.

"C" Track

As in every other sport there has to be a beginning spot for track. The fellows pictured above are of this class. While as a whole they are not as impressive this year as they have been in the past years there are nevertheless several men who show promise with more seasoning. Among these are Eddie Johnson, Frank Palacio, Manuel Medrano who are all outstanding on the track.

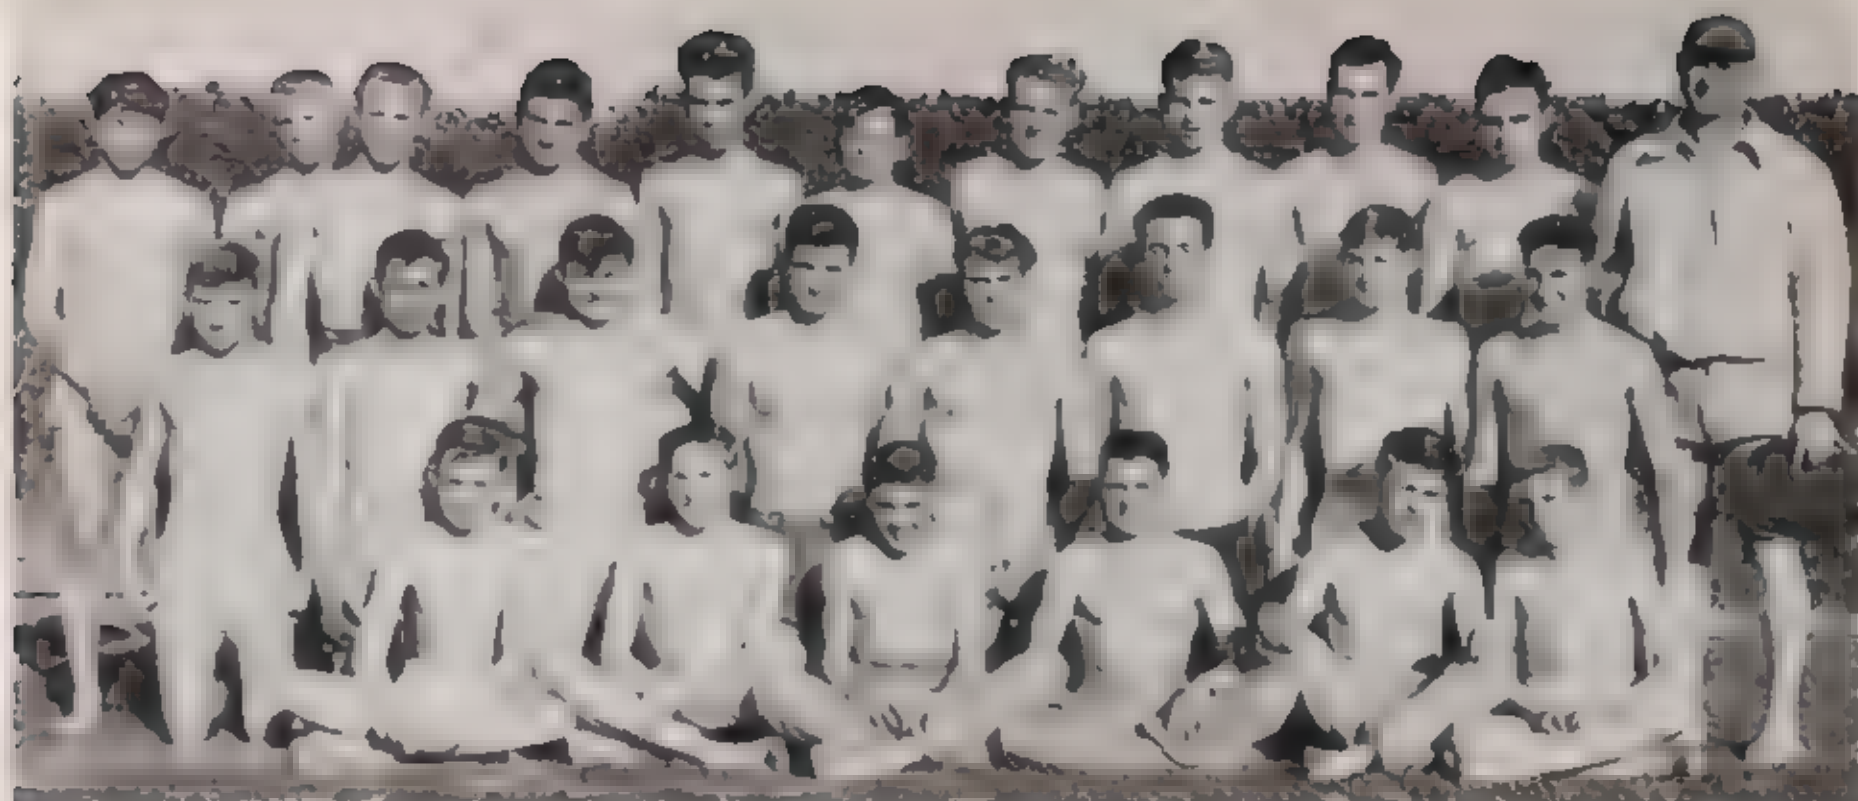

These are the athletes that will form the track teams of the future and Tulare Hi's fate in Track and Field is in their hands.

Bottom Row, Left to Right: S. res Johnston, Cottongim, Lee, Victor. Second Row: Cook, Davis, Sisco, Dyer, Weaver, Ardel Shields.

Varsity Swimming Teams

Coached by Fred Luzenbehl the Varsity swimmers have shown improvement as the season progresses. The most important meet of the season not having been held yet, it is hard to predict just how successful the Redskin tankmen are this year. Although there is some individual talent displayed on the team the Varsity is not too well balanced as a team. Whatever the outcome of this season the swimmers should be complimented on their perservence and hard work they have put in, doing their utmost to make swimming a major sport at Tulare Hi.

Bottom Row, Left to Right: Feyer, Kepling, Swenson, Wiley, Higgins, Clark. Second Row: Feyer, Herlinger, Davis, Clark, P. O. H. Scott. Third Row: Curry, Ray, Johnston, Aulins, Feyer, O. H. Scott. Then with Erdtolt, Sudrock, Oberg and Magentell Coach.

Junior Swimming Squad

Note well the men who are pictured above for they are the swimmers who will form the Tulare High School swimming teams of the future. They have done well this year and if the record of this year is any indication of the future, the sport of swimming is due for a rise at Tulare High.

Coach Fred Lugenbehl has been working hard for this his second year of coaching swimming at T. U. H. S. to bring the swimming team out into the spotlight of recognition. It has been more or less in the background for the past years. The future points to more enthusiasm for swimming from the size of the team this year.

There are excellent prospects for the future as far as talent is concerned too. Barton Smith, Dick Davis, Merrill Garlock and many others too numerous to mention have shown above average ability and promise to form the strong swimming teams of the future at Tulare High.

Bottom Row, Left to Right, Smith, Hodges, Linebarger, Gates, Land, Allen, Lopez, Perez
Second Row: Coach Campbell, Schultz, Vaughn, Hayes, Young, Irwin, Pearce, May, Hayes

Tennis

The tennis team was back in the running this year after a lapse of a couple of years. Up to the time of this writing the team has won a 4 to 5 decision over Porterville, lost a close 5 to 4 to Lindsay and succumbed to the Hanford netters 8 to 1 all in league play.

In practice games, the Tulare racketeers have won more than half of their meets. Except for the Hanford defeat, all the matches have been close.

Coach Beverly Campbell has developed some fine players in the three years that she has been with the team. Starting from scratch with freshmen and Sophomores, Campbell has brought the team up to a competing level.

Senior players this year have been Jo Ann Vaughn who has lost very few matches, Robert Linebarger and Jess Land. Prospects will be bright for next year as well as this with good talent still on tap.

G. A. A.

To some girls, G. A. A. means nothing, but to those girls who give up their time after school, this extra-curricular activity means just as much to them as football, basketball or track means to a boy. These girls know that G. A. A. is, in more of a sense, than that. They know that G. A. A. is a lot of hard work, fun, good for teaching one the given sports and above all, teaches the girl to obtain an ability to get along with other girls.

These girls, who do give up a lot of their time for this organization are repayed in full for their efforts. Every year two award assemblies are held. This is the time when these girls are in the spotlight. Even though a girl is receiving only her first award, the numeral, there is a certain pride within her that can't be put into words. Still higher honor is bestowed upon the girls who receive their gold honor pins, an honor very seldom given to any girl. Still a higher honor is the gold trophy presented at the end of the year to the outstanding girl athlete. This is the goal every girl belonging to G. A. A. strives for.

This year, G. A. A. had the honor of being the hostess school for the play day between the neighboring schools. This play day was one of the largest play days ever given in the history of Tulare's G. A. A. About 250 girls enjoyed themselves playing volleyball. In all honesty, Tulare Girls Athletic Association can be proud of such a successful play day given by them.

Of course, G. A. A. could not possibly be so successful, (in fact, there would be no G. A. A. without the full support of the three gym teachers, Miss Elliott, Miss Campbell, and Miss Rodgers. These three people give a tremendous amount of their time to this organization. They get nothing in return for their hard work except the satisfaction of the results of their grand work.

Table Tennis

By the time table tennis came around to being played in GAA, the girls were sort of tired of school, but this didn't hinder their enthusiasm in any way.

For those girls who went out for this individual sport, they can honestly say, "Table

tennis is certainly no 'push-over.' " Everyone was still in the race for the championship up until the very end.

Because of Colleen Williams, with her clever way of running the tournament, and management, and Miss Elliott, there every night to see that things went smoothly, table tennis once more turned in a successful year.

Speedball

Speedball was enjoyed by all. Some very exciting games were played and the girls were exceptionally skilled. This year an honor team of 15 girls was chosen. Team 1 had the highest total of points. This team was composed of some very good speedball players. Team play and keeping in positions were stressed to pre-

pare for hockey, a highly skilled game and the next sport.

The honor team was composed of Jo Anne Vaughn, Myrtle Laird, Ann Swall, Jeannie Williams, Deannie Barrera, Lula White, Edna Beck, Jo Anne Carroll, Berta Sheppard, Jo Anne Lynch, Sue Evans, Dorothy Heckman, Elizabeth Pearce, Margaret Whitten, Ella Siward, Pat Shaw, Lorraine Harter and Rita McClave.

Miss Elliott, the sponsor, did an excellent job of instructing the girls. Jackie Irwin turned in some very good work as manager of this sport.

Hockey

After a rough tussle with Speedball, the girls were prepared for almost anything. They had heard all sorts of rumors about this dangerous game. They had heard that the one who hits the hardest and first was the one who came out the best. Even though most of the girls were scared beyond themselves, hockey had a wonderful turnout.

This was the last team sport of the 1947-48 G. A. A. year, so the girls tried to play all of their games to the best of their ability.

Badminton

For the girls who had never played badminton before, they found that this sport was not so easy as it appears. Badminton takes a lot of skill and control.

This year's badminton turnout proved to be especially large. The underclassmen showed great interest.

The games were very close and some excellent playing was needed to win the championship. After all was ended, it was found that

Myrtle Laird, *Manager*

With all of the girls trying, the games were close and a lot of fun.

Two teams were chosen of equal ability and captains were chosen. The girls then chose names of ice hockey teams. Barbara Freitas' team, the Falcons, came out victorious. The girls on the winning team were: Barbara Freitas, Zora Yearv, Jo Anne Lynch, Annie Rameriz, Deannie Barrera, Gwen Telford, Elizabeth Pearce, Marion Newman.

Myrtle Laird and Miss Rodgers did an excellent job of managing this last team sport.

JoAnne Lynch, *Manager*

Betty Stephenson and Betty Moore were champions.

Jo Anne Lynch did a thorough job of managing this sport. Miss Elliott gave her time as the teacher in charge.

Next year badminton should have even a more successful year.

Dancing Group

This year the dance group has reached a new climax. About 25 girls are members of this group. Each and everyone of these girls deserve all the praise and glory that can possibly be given to them. These girls showed themselves to be unusually talented in dancing. Although these girls receive points for their work, they deserve more than this. Maybe dancing seems easy when one is watching someone else perform, but, from the voice of experience, this takes all the energy a girl has to give.

This dance group presented a dance program. From all accounts it was a huge success. Those who took part in this program were Billie Jo Alexander, Edna Beck, Joan Carroll Calla Carter, Winifred Cottengim, Ruby Dyer, Sue Evans, Pat Francis, Mary Guerrero, Margaret Hansen, Trudell Miller, Betty Moore, Dorothy Nichol, Elizabeth Pearce, Deloris Price, Annie Rameriz, Lois Schultz, Rose Snow, Betty Stephenson, Deloris Sylver, Gwen Telford, Joan Watke, Margaret Whitten.

As always, in the dance group, the manager and the teacher in charge deserve a lot of credit for the fine success of this group. So this year, praise goes out to Betty Stevenson and Miss Rodgers for their efforts and loads of work.

Softball

The first sport on the GAA calendar was—as usual—softball. Everyone is familiar and loves this old sport.

Came around the first night—the upper classmen looked up and what looked like an army coming on the field, turned out to be a solid freshmen team. This team worked together and turned in some mighty fine ball playing. This little freshmen team earned the right to compete for the championship. Because of a few bad breaks, this team had to settle for second place. Just the same, we congratulate you Freshmen.

The teams were named after cereals. The winning team was Post Toasties. The players on the team were: Jennie Williams, Pat Francis, Sue Evans, Betty Moore, Priscilla Pearce, Carolyn Carnelli, Elizabeth Pearce, Wille Sue White, Jackie Irwin, Myrtle Laird.

Lois Schultz and Miss Campbell shared the managing job.

Volleyball

First Row: Joanne Lynch, Lora Thorton, Pat Shaw, Jennie Williams. Second Row: Lora Thorton, Blaine, Carroll, Snow, McClave.

This year volleyball season was very active and successful with approximately sixty girls attending. The girls were divided into six teams and each team chose a captain and the name of a soap for their title. The teams and their captains were the following: Ivories, Louise McCaulley; Duz, Colleen Williams; Super Suds, Nadine Fuller; Lux, Jackie Irwin, Dreft, Marion Newman; Trend, Sue Evans.

On the last day of volleyball, the teams, Lux and Ivories, had a playoff for the championship and the Ivories came out victorious.

The best players of all six teams were chosen for a picked team who played Visalia J.C. They were these: Jackie Irwin, Priscilla Pearce, Joanne Vaughn, Joanne Carroll, Joanne Lynch, Pat Shaw, Jennie Williams, Lora Thorton, Lorraine Harter, Carolyn Carnelli, Deannie Barrera, and Lois Schultz.

The Tulare girls defeated J.C. two games; then they mixed the girls and played another game. At noon a delicious potluck lunch was served and community singing was held.

Doris Young and Miss Elliott did an excellent job of managing this sport.

Basketball

Although the grass was sometimes pretty slippery and the sun blinded the girls, basketball came through with a memorable season. This sport captures the highlight in many girls' minds concerning sports. This team game, if played properly, needs great skill and practice.

The teams were very evenly divided, so therefore, the games were certainly thrillers. Finally those who came out victorious were: Jo Ann Carroll, Edna Beck, Priscilla Pearce, Rose Snow, Norma Hayes, Nancy Moody, Alice Ichinaga and Jackie Erwin.

Like all other team sports, at the end of the season, two picked teams were chosen. They were: Joanne Vaughn, Zora Yeary, Doris Young, Rita McClave, Bernice Schultz, Sue Evans, Pata Shaw, Deannie Barrera, Ann Swall, JoAnne Lynch, Trudy Mueller, Norma Hayes, Jackie Irwin, Priscilla Pearce, and Alice Ichinaga.

One of the teams had no trouble defeating Lindsay, but the other team didn't do quite so well. Next year maybe they can redeem themselves. The Tulare lassies also dropped a spur of the moment game to Visalia J. C.

Bowling

This year bowling was the first individual sport and was very successful because of the large turnout. There was a will to win in every girl because at the end of the season, the five highest bowlers were given five free games. Those girls with remarkably high averages were Joanne Vaughn, 122; Priscilla Pearce, 116; Bernice Schultz, 111; JoAnne Lynch, 106; and Ann Jones, 104. Darlene Anthony also received five free games because she had the highest average for one night. These girls also received ten extra points.

All in all, bowling is a grand sport and both beginners and experienced bowlers enjoyed themselves.

Alice Ichinaga, student manager, and Miss Campbell, teacher, with their managing, added highlights to this sport.
